Lenovo Q24i-10

Truly a Display of Style and Performance

Add a touch of class and confidence to your living space with the elegantly designed, ultra-slim Lenovo Q24i monitor. Be it in the living room or the study, this sleek display with Full-HD resolution and NearEdgeless bezels bring beauty and functionality together in a perfect 23.8-inch package. Experience superior visuals with its In-Plane Switching display that makes the view from any angle striking. Bid goodbye to eye strain with the TÜV Rheinland Eye Comfort certified panel that ensures endless viewing comfort. Take your world of entertainment to the next level with the AMD FreeSync™ technology and dual speakers that offer seamless picture quality and rich audio for an immersive experience, every time.

Modern Design
for Home Space

Entertainment
and Gaming Ready

Ultra-slim Build
for Clutter-free Workspace

Built Exclusively for your Home

The Q24i-10 sports a clean design with a luxurious iron gray stand that blends with your home interiors. The 6.9 mm ultra-slim monitor head coupled with a 3-side NearEdgeless screen makes this display a sight to behold. Make a contemporary addition to your wall by mounting this VESA-compatible monitor neatly on any flat surface. Alternatively, place it on a table and have the option to adjust the monitor to just how you need it with the tilt function of the stand. The built-in cable holder ensures your space remains neat and clutter-free by keeping all the wires and cables in check.

A Display That's Second to None

The incredible Full-HD clarity of this 23.8-inch display is well suited for binge-watching. A feast to the eyes, this NearEdgeless, In-plane switching panel has a wide viewing angle of 178° on either side, so you see every detail. AMD FreeSync™ technology, 75 Hz refresh rate, and 4ms response time eliminate screen tearing to enhance your gameplay.
