

An everyday monitor that's easy on you.

Browse the web, stream your shows, and get some work done on the HP V22 FHD Monitor that adjusts to your comfort needs and delivers stunning picture quality in highly affordable style.

Crisp image clarity for all your content.

Get lifelike color and sharp details for everything you do, from answering e-mails, checking your social feeds, and working on documents to watching the latest shows, on a 21.5" diagonal Full HD screen.

Modern connectivity.

Quickly connect to your devices and additional monitors through the HDMI and VGA ports and get smooth visuals, no dongles required.

Personalize your comfort settings.

See your screen in a whole new light with HP Low Blue Light, which shifts the color spectrum for more comfortable viewing for your next binge watch or marathon project. Tilt the screen up to 5° forward or 20° to find your best viewing position.

Featuring

FHD display / 1080p display

Be prepared for brilliant visuals and crisp images with the unforgettable quality of this stunning FHD display. ^[1]

Adjust your view

Adjust the screen to your personal preference with a 5-degree forward or 23-degree backward tilt.

Low blue light

Using the Low Blue Light mode subtly shifts your display's colors to a warmer spectrum, while making whites more natural and putting less strain on your eyes.

TN panel

Enjoy the latest action movie or high-octane video game with the low pixel latency and snappy response times of this TN panel.
