

Revolutionary wireless mobile battery duplex scanner

Whatever the place, wherever you are: IRIScan Anywhere 6 Wifi Duplex is a light, autonomous, standalone, high resolution, lithium battery powered portable colour document scanner that allows you to duplex scan contracts, shipping notes, invoices, receipts, medical pre-scripted, patient files records, business cards, pages, letter & A4 color documents.

IRIScan Anywhere 6 Wifi Duplex can easily be transported & connected wireless to your smartphone or tablet on the go. It's an ideal companion for those on the go who needs to scan double-sided important documents with always a very high quality image standard whatever the paper size (up to A4/letter), the paper type (glossy, matte, plastic) and whatever the environment you are in (outside, inside, sunny, dark, over exposed, ...). All images will be stored in your smartphone's preferred directory thanks to the free App "IRIScan PDF scanner" ready to be shared immediately to your office, colleague or secretary.

Business men dealing with legal & invoice management, medical prescription, patient file management, hospital & service desk, ID Cards or business card management, shipping notes or banking & finance document workflow will be delighted to capture perfect double-sided quality image documents on the go or via USB cable when at office. Powered by IRIS latest HQ OCR engine, IRIS highest Quality Optical Character Recognition, you will be able to convert double-side scanned images into searchable PDFs, editable Word, Excel or Text while supporting up to 138 languages.

Such new companion definitively helps you empowering the enterprise' productivity while increasing big time employee's satisfaction.
