BT3206/13

## 3-day beard made easy

Lift & Trim system cuts 30% faster\*

This trimmer with the innovative Lift & Trim system lifts and captures low-lying hairs for efficient, even trimming results. Easily achieve the 3-day stubble, short beard or long beard look you want.

### Easy even trimming

- Lift & Trim comb guides hairs to the blades for an even trim
- Stainless Steel Blades for long-lasting sharpness
- Skin-friendly blades for smooth skin

### Easy to use

- 10 lock-in length settings, 0.5–10 mm with 1 mm precision
- 45 minutes of cordless use
- Light on the adaptor indicates when the battery is charging
- Detachable head for easy cleaning
- Ergonomic design for easier handling

### Built to last

- 2-year guarantee, worldwide voltage, no oiling needed

# Highlights

## Lift & Trim system

Trim your stubble with our new Lift & Trim system: the comb lifts and guides the hairs to the level of the blades for an even trim.

## Stainless Steel Blades

Get a perfect yet protective trim, time after time. The trimmer's steel blades lightly brush against one another, sharpening themselves as they trim so they stay extra-sharp and as effective as on day 1.

## Skin-friendly blades

Blades have rounded tips for smooth contact with skin to prevent scratching and irritation.

## Zoomwheel - 10 length settings

The zoomwheel lets you choose length settings ranging from 0.5 to 10 mm, with 1 mm precision steps.

## 45 mins cordless use

Charge your trimmer for 10 hours to get 45 minutes of cordless use.

## Battery charging indicator

The battery charging indicator on the adaptor lets you know with a green light when your device is charging.

## Easy to clean

Detach the head and rinse it under the tap for easy cleaning. Dry it before you put it back on the appliance.

## Ergonomic design

Easy to hold and use. Designed to help you trim those hard-to-reach areas.

## Built to last

We back this Philips trimmer with a 2 year guarantee: our grooming products are built to last. You'll never need to oil it, and it's compatible with all worldwide voltages.
