FEATURES

- 
Anti-Flicker technology
MSI Anti-Flicker technology provides a very comfortable viewing experience by reducing the amount of screen flicker.
- 
Display Kit Support
Providing the most convenient tool, the proper color & display mode to you while working with it everyday.
- 
VESA Mountable
To be mounted on the wall of your office & home with a VESA standard design which can make it completely invisible on a desk.
- 
Built-In Speaker
Built-in speakers allow you to listen clearly without connecting external speakers.
- 
Anti-Glare Display Design
An anti-glare display makes viewing the display more pleasant for users and reduces eyestrain for users.
- 
Less Blue Light
Effectively reduce blue light which could cause serious long-term damage to your eyes.
